Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) Maintains cellular health.
- (2) The antigenic properties promote healthy cellular division, function, and growth.
- (3) The bovine parotid PMG™ extract in Parotid PMG appears to neutralize the circulating antibody, thereby contributing to the maintenance of cellular health.
- (4) Parotid PMG improves calcium absorption.
- (5) Parotid PMG enhances metabolic efficiency.
- (6) Magnesium functions as a co-factor, assisting enzymes in catalyzing many chemical reactions.
- (7) Magnesium functions in such reactions as nerve conduction and nerve excitability; transfer of energy, muscular activity; and many other specific processes.
- (8) Magnesium and calcium play an important role in human metabolism.
- (9) Helps to cleanse and protect the digestive tract.
- (10) Parotid PMG provides nutritional ingredients and support for the parotid gland.

97S-0162

LET 4565

67914

These statements are made for a dietary supplement containing a proprietary blend of bovine parotid PMG™ extract, and magnesium citrate. Other ingredients include calcium lactate, cellulose, and calcium stearate. The name of the product is Parotid PMG®.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
